

Dear parents,

since the birth of your child, keep **TALKING** to them,

TELL them what is happening, **READ** aloud books suitable

for their age

(which you can pick up free of charge in any municipal libraries),

SING AND PLAY MUSIC TOGETHER.

In this way you help their **BODY**, their **MIND**, their **LANGUAGE**

to **GROW AND DEVELOP IN THE BEST WAY.**

Ask your own pediatrician for information, they can give you some useful advice.
